

OPTIMAL – Recommended Equipment, Cleaning Products & Consumables

To help us deliver the highest standard of service, we recommend that clients provide the following cleaning equipment and supplies. This allows us to accommodate individual preferences, allergies, and any specialist cleaning requirements within the home.

Cleaning Equipment

- Vacuum cleaner
- Mop and bucket
- Long-handled duster
- Dustpan and brush
- Toilet brush for each bathroom

Cleaning Products

- Kitchen cleaner
- Bathroom cleaner
- Glass cleaner
- Toilet cleaner
- Mould remover
- Limescale remover
- Furniture polish
- Antibacterial disinfectant
- Specialist cleaners for natural wood, marble, stone or stainless steel surfaces (where applicable)

Consumables

- Microfibre cloths
- Sponges
- Rubber gloves
- Kitchen roll
- Bin bags
- Vacuum bags (if applicable)

Recommendation: We strongly recommend the use of eco-friendly cleaning products wherever possible. These products are safer for children, pets, and the environment while still delivering excellent cleaning results.
